Stacia...!

But I have
you want
show up.

It's not
your
business.

It's not
your
business.

But I have
you want
show up.

She

Reactive
Chromatic

The laboratory
also started a
company
that makes clothing
the way it Europe

He dominates
everything

Anything his
doesn't approve of
he destroys the
structure

I never
felt it here
with a
man like
him

And
my wife
too

Thank

There won't any
possibilities
after we get married

You know
there are
marriage
before marriage

Stop
it

Just
thinking
about it
makes my
body and
mind feel
on fire

All we had
was legally
married
this

There's nothing.

There's nothing.

After thought, if you can't get together, then you can't be together.

I think she wants to see you.

I think she wants to see you.

More importantly, since the one who thinks so is important.

I found you, so you're finally through a wall.

What?

I found you, so you're finally through a wall.

I found you, so you're finally through a wall.

I found you, so you're finally through a wall.

I found you, so you're finally through a wall.

I found you, so you're finally through a wall.

I found you, so you're finally through a wall.

I found you, so you're finally through a wall.

I found you, so you're finally through a wall.

I found you, so you're finally through a wall.

The only
thing control
of my body

and never
would let me
to touch me

It seems
will be
back in

I would
not change
up the past

We're going
straight to
the hospital
and see
what's really

As soon
as possible

The
man who
Chloe
didn't
ought
back to
England

In my heart,
you still trying
that you would
try to save me

that
the future
is unclear

You were never
going to leave to
me in the first place!

I never
would let
you into
my family

It seems
that you
are really
the same
as me

Why did
I fall in love
with a man
like him?

That's
odd, isn't
it?

The
apartment
on
Downing
Street, the
first.

Why are
we playing
this game
anymore?

And that way,
it's enough
to let it go.

I'm not.

I can't.

As long as
the car
doesn't
break.

My heart
won't leave
the first.

I don't believe this.

The same lot of our happy memories.

Now I have to stay there again with him?

You have to stay in the hospital tomorrow night. I have to go home.

After that, you'll have to go wherever you want.

Yes?

The more you're with, the more you'll have to stay here.

Thank you for today.

No.

All right, but I'll be here.

The doctor knows what my heart requires.

Yes...

I know that you'll just make a mistake for it.

Before they
arrived, all
out about
each other's
incompatibilities

Those seven
days that we
spent only
being together

Apparently
a moment
after
a major
event.

The doctor
says that it's
a "normal"
reaction.

...up and
Chase
suddenly
dressed up

Right around
the time Chase
and I were at the
beach, looking
across
happily...

and only
remember
things from
a year ago.

He's lost
all of his
normal
memory...

He'll be
there in the
beach
memory
after she's
released.

I've arranged
to work from
home for the
next long.

The most
important thing
is that he's not
going to be in
any more.

Will he
remember
me?

There's a good
chance it will,
but there's no
telling when.

Our
happiness.

Unfortunately,
I can't allow
that, there.

100%

The doctor
says that we
have to avoid any
unnecessary
stress at home.

She thinks
we're still
logically married.

Chloe's
statements are
from a year ago.

Are you
happy,
Dad?

Yes.

If you
say so.

She can't
become
any
stronger,
so you
shouldn't
be around,
Mother.

I don't
see any
change, do
you, I

But it has
nothing to
do with the
impression.

It's for
me and
my
only.

Nothing's
changed.
Now a family
refuses to
live and then
admits to say.

That's how
the game has
been running.

From
the
your
complaints.

...not one of
those rumors, like
a conspiracy,
where things were
put in place

There are
hundreds to
tell you not

You're always
around people
around you
surrounded
them?

No one
was ever
in a spot!

But think
there's
nothing
in your
world!

But I have
something
about you

...and
there's
nothing

He was
in a spot
...and

...and
there's
nothing

I can make
you any way
you want...

...Love you.

He was there
when the
happiest
moments
were you
in...

...And?

You can't
call me that
anymore!

...After seeing
me through our
relationship?

Yukio
Ginsu
hasn't been
stronger,
as well.

I'm going
back to
England!

You're
staying here.

are you
trying
to
change
that
then.

There
may
be
and
are
my
with
and
there.

When
you
want,
the
time
doesn't
change.

That
makes
me
feel
like
I
really
am
a
gold
digger...!

Michael
Anderson,
I
know
though
you
would
go
for
him.

It
guarantees
that
a
man's
change
after
that
doesn't
in
handbook.

If
you
are
here,
your
memory
has
a
role.

What
do
you
think
about
this
change
then.

You
don't
know
anything
about
this
step.

What
are
you
saying.

Can't
you
have
your
name?

That's
for

It's
because
I
speak
with
her
opinion.

Why
do
you
think
the
book
gives
you
another
chance
to
reply?

I
don't
need
your
help. :)

I
don't
want
that!

One
of
the
best
companies
arranged
for
me
with
them
a
picture
with
me.

Then
you
do
look
well.

Shiori

You're the
only man
I've ever
dealt with

The only
man I've
ever loved

And you never
brought me
up until the
very end

That's
right.

I'm going
to get
married

You turned
your back and
left,
the same way
as before

You never
even tried to
find me

Shiori
knows how well
you get on with
her

How does
publicizing young
men with no
marriage plans?

Well, Shiori?

What good
will it do to talk
about that now?

Enough!

Why do
you have to
attack me
with those
eyes?

Where are
you going?
It's all here
taken away.

The answer
had what your
thing meant to the
future.

Oh, July

The answer
had what your
thing meant to the
future.

I'll show you
how, right now,
I love you.

The woman
was shocked
and ran.

Oh, my
God!
I can't
believe
this!

And

then!

That's
how!

There
again

The tears didn't
stop pouring out
her cheeks and
slipping
onto her

100%
100%
100%
100%

100%
100%
100%
100%

I don't want
you to make
money.

You would
leave this if you
over-indulgence
with me.

We used to
laugh all day
without feeling
our discomfort.

I don't
want you
to laugh
like there's a
tear in it.

Oh,
you make

You just
say to get me
understand
every time
I'm not
there.

When did
we stop
laughing?

What
I want
is your
honesty.

I don't
think you'll
ever be able to
understand.

My whole
piece of
my life.

You're
not
understand
a really
hardy.

There
must
be some
for you to
make.

If you
don't
understand
me, you
have
to work.

You
right.

We can
find
each other
in the
end.

We can
find
each other
in the
end.

Maybe
it's time

But I didn't
understand what
Diana wanted!

There has
a headache,
so she's
sleeping
more

Oh,
Diana

Oh

I'm not
happy,
so I'll go to
the gym
to the beach

There's
no need to
not together
without
them

He was
probably
too
much
for
her

He didn't
see what she
needed!

Oh

What if
she's
not
happy
anymore?

But
we are,
walking
about us

Oh

Oh

I should have
held on and
worked harder to
understand him.

Why didn't
I ever try to
talk to her
like this?

Why did
I leave
her this
night without
a light?

Her eyes
before
then...

That's all
I want.

I'm not
crying!

Don't
cry.

Strangers
at always.

Turned
that I've been
nothing but
a spiritual
spout.

I now believe
nothing for
the last time
yesterday.

Her strong
background
left her
open to
other
visions.

Her values
are changed
and grown.

I used to
be enthralled
by someone
spiritual
body.

But I didn't
open doors of
what would
make
her happy.

I thought
that she would
be happy simply
being married
to me.

Why didn't
I make her
happy for
what she was?

She
thinks.

Isn't
she more
your study?

She seems
quite
different
from the
past.

You are
not the
same.
She has
a perfect
vision,
didn't you?

You'll be
able to
work from
and handle
things in
quite
a way.

I like the way
from my values
more than.

Thankful
that he really
did all the
things.

Thank you
so much.

She
thinks.

Life
wonderful.

It's time to
begin again.

During those
past few months
actively.

I'm ashamed
of what I did,
from the bottom
of my heart.

...I should
never doubt
you then
during the year
we were
married.

We never
ever married,
I tried to make
your life as
easy as possible.

That was
the wrong
way to
make you
happy.

I didn't
think enough
about what
would make
you happy.

I did for
you because you
were unlike any
other woman.

You didn't
show up.

You had
plans to
be there.

And you said
my love
was the way
you found
that you
could be
happy.

I love you,
cara mia.

I love you.

How crazy
I am about
you!

How
I can't
imagine
losing you!

How much
I want to start
over with you!
